AUTOPAGE™ MARINE SMS

AUTOPAGE™ MARINE SMS

Part No: AUTOPAGEMARINE

The Autopage™ Marine SMS enables 2-way communication via SMS Text Messaging between you and your vessel via your GSM mobile phone. The system protects your boat at your marina, private jetty or anywhere within mobile coverage from your chosen network provider. It is a sophisticated alarm system using the latest in GSM communications and wireless alarm technology. If an intruder boards your vessel or smoke is detected, alert messages will be sent to up to 5 mobiles. SIM Card required.

The System Includes:

- 2 Code Hopping Remote Controls
- 1 Wireless PIR Detector For Sensing the Body Movement of an Intruder in the Cabin
- 1 Wireless Smoke Detector
- Main Control Unit, Siren & Strobe
- Hardwired Alarm inputs for contact switches, Microwave Detectors etc
- Upto 3 Additional Wireless Alarm Detectors can be added including: PIR, Reed Switch and Smoke Detector

Your Autopage™ Marine Can Send SMS Messages To Up To 5 Mobile Phones Advising:

- Alarm Activation And Cause - If no response, your system will dial the main user.
- Panic / Duress Activation
- Vessel Low Battery Warning

From your mobile phone you can:

- Arm/Disarm the System
- Turn On /Off accessory items
- ie Bilge Pumps, Fridges
